

# TIME TO SHARE

---

An important part of being a Naturalist is sharing what you observe and learn with other people.

Draw and describe one of your favorite discoveries from your time exploring with the Jr Naturalist Booklet below:

## Learn more

Dig into The Wild Center's Digital Learning Website - <https://www.wildcenter.org/our-work/digital/> for more fun activities and to learn more about animals, plants, and habitats found in the Adirondacks.

## BONUS CHALLENGE

Find a friend or family member and tell them about your discovery.

## WHAT'S NEXT?

Once you've described your favorite discovery, have a grown-up upload a picture of this page to the web-form on our website to earn your patch and certificate to become a Wild Center Jr. Naturalist.

**KEEP EXPLORING!**
