

MYTHBUSTING: REPTILES AND AMPHIBIANS

This week we dove into the world of reptile and amphibian myths and misconceptions, exploring everything from whether a mudpuppy can bark to if a toad can give you warts. Now it's time for you to do some mythbusting of your own!

STEP 1 - Identify

Think of a myth or a fact about reptiles or amphibians that you are just not quite sure if it is true or not. Write it it down over here: 

I am going to Research...

STEP 2 - Research

Dig into books, journals and/or reputable websites to learn a bit more about your chosen myth or fact.

STEP 3 - I Learned...

After some research, I learned that:
