

Climate Solutions **BINGO**

<p>Find the Energy Mural in the energy section. What would YOU add to this mural?</p>	<p>In the food section, watch one of the videos & share something that struck you.</p>	<p>In the action section, watch the Youth Catalyze Community Action video. Which of these stories hits closest to home for you?</p>	<p>Look around the model house & find the insulation with the highest R Value. Which type of insulation was it?</p>	<p>Find the story in Caring for our One Home about bogs. Name the deepest bog in the Adirondacks.</p>
<p>Choose an action to take from the action ipads stationed throughout the exhibit. Which action did you choose?</p>	<p>Cook a meal in the food section. What elements of the meal were climate-friendly?</p>	<p>Find the gratitude tree with messages of thanks on the leaves and write your favorite here.</p>	<p>In the food section, find the soil exhibit. What percentage of emissions does soil help mitigate each year?</p>	<p>Go to the action section and scan a tool in the climate toolkit. How can this tool be used to take climate action?</p>
<p>Take a moment to look at the moss wall. What is something you notice about the colors? What do they represent?</p>	<p>In the food section, read about 3 of farmer Courtney's climate tools.</p>		<p>In the Caring for Our One Home section, watch one of Neil Patterson's videos. What inspires you from Neil's story?</p>	<p>Participate in an activity in the tinkering studio.</p>
<p>Spot a crane made out of recycled material. What is it made from?</p>	<p>Find the Climate Accelerators section. Spin and read each one. Which accelerator was your favorite?</p>	<p>Read the quotes on the quote board and write down which one speaks to you the most.</p>	<p>Find the gratitude tree and contribute a leaf. What did you contribute?</p>	<p>Listen to three phones. Share one way you connected with one of the storytellers.</p>
<p>Locate a hammer somewhere in the exhibit. Where did you find it?</p>	<p>Take a rest on a chair. Climate change can be overwhelming!</p>	<p>Choose your favorite art piece in the room and list three adjectives that describe it.</p> <ol style="list-style-type: none"> 1. 2. 3. 	<p>Describe one way to improve energy efficiency in your house.</p>	<p>Find the Jukebox and play a video. Which video did you play?</p>

Climate Bingo Reflections

Pick 2 Storyteller Portraits from different sides of the room. Listen, watch, or read their story if you haven't already.

★ What was their solution?

Storyteller A

Storyteller B

★ Each storyteller portrait has a bio that begins with three words. What are their three words?

Storyteller A

Storyteller B

★ What are your three words?

★ After spending some time in the Solutions Exhibit, what gives you hope for the future?
