

## TRAIL DESCRIPTIONS

- WILD WALK (mostly all-persons trail, boardwalk)**  
Start your visit on the far side of the parking lot by the small brown building with an elevating journey into the treetops of the Adirondack forest where you can jump in the Spider's Web or explore the Tree Snag.
- OXBOW OVERLOOK TRAIL (gravel)**  
Walk down to the water and enjoy serene views from our Oxbow Overlooks on the Raquette River. Perfect for a peaceful pause or a breathtaking photo.
- PINES PLAY AREA TO WILD WALK (gravel)**  
Loop from the Pines Play Area, an unstructured, natural playground for kids to explore and imagine, to Wild Walk and Oxbow Overlook trail.
- FEN TRAIL (all-persons trail, gravel, 1 mi. roundtrip)**  
Meander through the forest and discover the Raquette River fen ecosystem. This looped trail is our longest, measure at 1 mile. The trail is home to Raquette River Roll and is accompanied by interpretative panels allow you to see the wonders of the forest all around you.
- POND LOOP TRAIL (all-persons trail, gravel)**  
After passing the Pollinator Garden, stroll around Greenleaf Pond. You can loop back to the Exhibit Hall or continue towards our other trails.
- FOREST MUSIC TRAIL (all-persons trail, packed dirt)**  
Immerse your senses in an experience that combines nature, technology and art. Twenty-four speakers placed throughout the trail envelops guests in music that blends with natural sounds of the forest.
